

Forward Plan of Key Decisions to be made: January 2019 to March 2019

Date Published: 8 January 2019

The Forward Plan has been prepared in accordance with The Combined Authorities (Overview and Scrutiny Committees Access to Information and Audit Committees) Order 2017 ('the Order') and will be published at least 28 days before the key decision is to be made. As well as being published on the Combined Authority's website the Forward Plan will be available at Sheffield City Region Combined Authority's offices. The forward plan is reviewed monthly. **Please note that the decision dates listed are indicative and may be subject to change.**

Exempt information need not be included in the Forward Plan and confidential information cannot be included.

There may be times when a decision has not been published in the forward plan 28 days in advance, this is usually because the matter is urgent and a decision has had to be made quickly. These decisions can still be made but are subject to the regulations within the Order.

What is a Key Decision?

The Order defines a key decision as a decision, which in the view of the Overview and Scrutiny Committee for a Combined Authority is likely:

- (i) to result in the Combined Authority or the mayor incurring £250,000 expenditure or savings, having regard to the Combined Authority's budget for the service or function to which the decision relates; or
- (ii) to be significant in terms of its effects on persons living or working in an area comprising two or more wards or electoral divisions in the area of the Combined Authority.

How do I find out more about the proposed decisions?

The documents and reports relating to the proposed decisions will be published on Sheffield City Region Combined Authority website 5 working days prior to the decision being made (subject to confidentiality or restrictions on disclosure) or hard copies can be obtained by contacting Claire James or Christine Marriott (contact information below).

If you require any further information or wish to make representations about any of the matters contained in the Forward Plan, please contact the officer detailed against each entry at least 7 days before the meeting. Unless otherwise indicated, all officers can be contacted at:
