

Role: Senior Programme Manager – Business Growth  
Hours: 37 hours per week  
Contract: Permanent  
Salary: £42,683 - £45,591 per annum  
Location: Broad Street West, Sheffield, S1 2BQ

We are a region with a growing economy, major new investors and a plan to grow and attract new businesses, invest in the talents of our communities and play a major role in tackling the UK's productivity challenge.

Through the Mayoral Combined Authority (MCA), led by Mayor Dan Jarvis, and the private sector led Local Enterprise Partnership (LEP) we have a strong public-private partnership in place and are well placed to deliver on our ambitions for the region.

To help us do that we are looking for talented people to join our team.

We are seeking a dynamic manager with public/private partnership experience to help develop the SCR business growth agenda, ensuring that the City Region's current and future businesses can access appropriate support to become more competitive.

Demonstrating a strong understanding of key issues which both accelerate and inhibit business growth, we are seeking someone with the ability to identify new opportunities for programme development and turn our strategy into action. Your deep knowledge of business and the innovation landscape will be matched by insight into local and national strategy, economic policy and business support structures.

With keen project development and management skills, you should be experienced in leading multi-agency schemes and performance improvement. Comfortable working across a variety of public and private partner organisations, you will be a persuasive and credible communicator with well-developed negotiating and presentation skills.

In return, we offer a competitive salary, access to a local Government Pension Scheme and the chance to be part of an organisation where you can really make a difference.

Located in a vibrant city centre location, we are well-placed for transport links and encourage employees to take advantage of the active travel facilities we have such as bike storage and shower/changing facilities. We believe in a healthy work/life balance.
