

# Senior Development Manager

Hours: 37 hours per week  
Contract: Permanent  
Salary: £43,857 - £46,845 per annum  
Headoffice: Sheffield

This is an exciting time to be part of the team working directly with Mayor Dan Jarvis, the Sheffield City Region Mayoral Combined Authority (MCA), and the Local Enterprise Partnership (LEP). Devolution has never been higher on the political agenda, and the MCA and LEP are playing an increasingly important role in shaping our economy. From transport to housing, from business growth to skills, SCR has a great story to tell.

We are seeking a dynamic manager to lead one of its business support hubs. This role Senior Development Manager for the Development Hub is responsible for creating solutions to support businesses in the South Yorkshire economy to survive and to grow and thrive.

If you have proven experience of providing business support and you can work with a breadth of private and public sector stakeholders to use this experience and the experience of others to develop and create solutions for business support.

The first priority is to design, develop and implement the solutions required to deliver the economic Renewal Action Plan for South Yorkshire, by supporting businesses with the advice they need, assisting them to build stronger supply chains or be part of a diversified supply chain and developing ideas for further business stimulus packages.

In addition, as Manager of the Development Hub, you are responsible for the South Yorkshire Business Gateway and its transformation. The business gateway to date has provided an information portal and a telephone support service. Our aspirations is for a Gateway Service which shifts its emphasis from inbound calls to one where we build far deeper and far reaching relationships with businesses.

If you are creative, solutions focused, and can brigade partners and businesses in the development of business propositions we would like to hear from you In return, we offer a competitive salary, access to a local Government Pension Scheme and the chance to be part of an organisation where you can really make a difference.

Located in a vibrant city centre location, we are well-placed for transport links and encourage employees to take advantage of a range of benefits, including active travel facilities. We believe in a healthy work/life balance.
